

Fellowship of the Asian and Australasian Regional Section- WFSA - Xijing Training Center (AARS-WFSA-Xijing Fellowship)

06/01/2018

Presidents/Secretaries,

Member Societies of the Asian and Australasian Regional Section

(AARS-WFSA)

On behalf of the AARS board, we are pleased to announce that the Fellowship training program in Anaesthesiology will take place for the fourth consecutive year in 2018 in Xi'an, China. This will be held at the AARS-WFSA-Xijing Training Center, which was established in March 2015 at the Xijing Hospital, the first affiliated hospital of Fourth Military Medical University in China.

Selected candidates from the member societies of the Asian and Australasian Regional Section (AARS) of the WFSA will be able to attend the training course in September/October 2018. It is intended to offer 15 fellowships in 2018.

The fellowship is intended for anaesthesiologists working in low resource settings from the member societies of the AARS who are keen to:

1. Develop and improve knowledge in anesthesia, medical and clinical management of patients
2. Reduce the incidence of anesthesia related adverse events
3. Exchange and promote the application of advanced technologies

Course content

- Discipline construction and management

- Clinical advances and new technologies
- Updates to the latest guidelines
- Workshop simulations, demonstrations and practice for related skills
- Exposure to modern operation rooms

Expenses

Shenzhen Mindray Bio-Medical Electronics Co. Ltd and Renfu Pharmaceuticals will provide funding to cover the costs, including local accommodation, meals, registration, insurance and round trip travel expenses on economy class for the selected participants.

Selection Criteria

- Should be a member of an AARS member society
- Application must be supported by the chief/ head of the department
- Endorsement of the application by an AARS member society
